All T3000 Battery Chargers
All T500 Mobile Radios
All T700 Mobile Radios
All T2000 Mobile Series Radios (including Series I)
All T800 Series II Standard Modules (Receiver, Exciter, Transmitter, Power Amplifier, Power Supply)

Introduction

Detail

This Technical Note provides novice users the ability to identify the serial number and product code on products manufactured by Tait Electronics Ltd.

This Technical Note will be updated as new products are released.

Tait Orca and Tait Orca 5000 Series Hand Portable Radio

Remove battery from rear of radio. Push down on retaining clip to remove battery.

The radio's serial number and product code are circled below.

**Tait Orca Battery
Charger**

Turn the charger over. The serial number, product code and software version is on the bottom side of charger unit.

**Tait T3000 Hand
Portable Radio**

Remove battery from rear of radio. Push down on retaining clip and lift upward to remove battery.

The radio's serial number and product code are circled below.

**Tait T3000
Battery Charger**

Turn the charger over. The serial number, product code and software version is on the bottom side of charger unit.

Tait T500 Mobile Radio

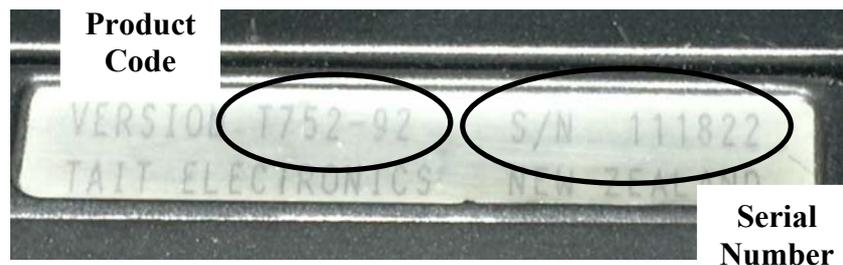

The serial number and product code is located on the heatsink, at the rear of the radio. The serial number is located beside the BNC connector. NB On older radios the serial number may be located on the outside of the heatsink fin, rather than the inside as pictured below. The product code is located at the rear left of the radio (looking from front on).

Tait T700 Mobile Radio

The serial number and product code is located on the back end of the radio. Between the two sets of fins of the heatsink. They are circled below.

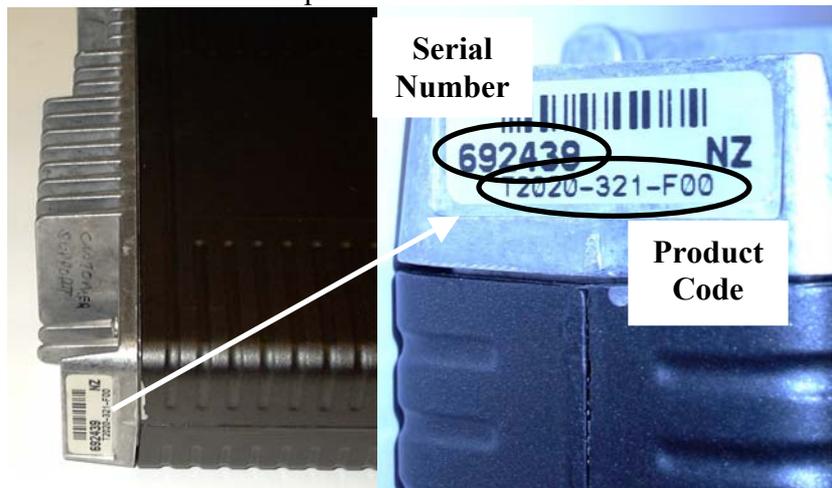

**Tait T2000
Mobile Radio**

The serial number and product code are located on the radio's heatsink at the rear left of the radio (looking from front on).

The serial number and product code are circled below

**T800 Receiver
T800 Exciter
T800 Transmitter
T800 Power
Amplifier**

**T800 Receiver,
T800 Exciter,
T800 Transmitter**

The serial number and product code is located on the rear of the module beside the N-type connector.

**Product
Code**

T855-25-0300

R9

125150

**Serial
Number**

Tait Electronics Limited
Made in New Zealand

T800 Power Amplifier

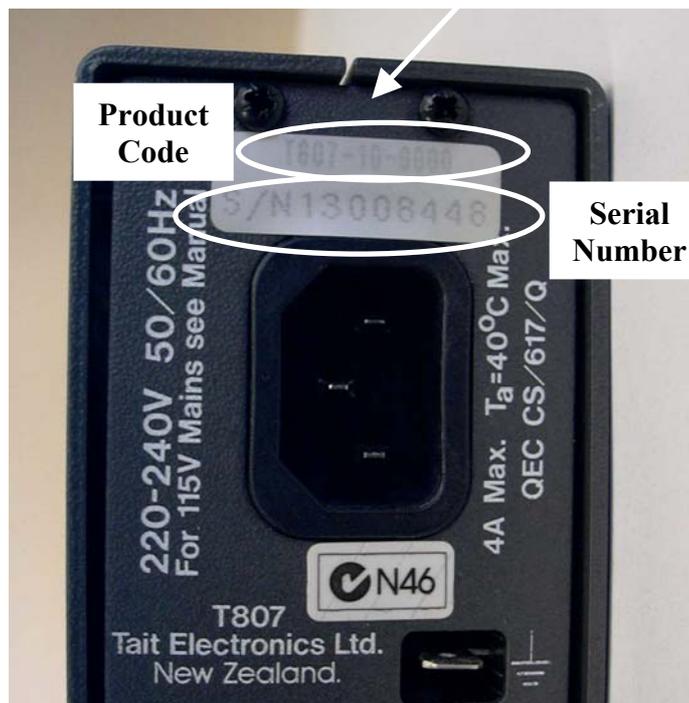

The serial number and product code are located on the rear of the power amplifier module below the N-type connector.

**Tait T807/T808
Power Supply**

**Tait T807/T808
Power Supply**

Compliance None
