

Base Stations Product Update July 2006

Date	7 th July 2006
From	Margaret Grant – Infrastructure Product Manager

TB8100 Spares Product Codes

To align more closely with TB7100 and TM8000 products, TB8100 spares now follow the product code format TBA-SP-xxxx. Please do not order X-assemblies, these are not fully tested or properly packaged.

Old Product Code	Description	New Product Code
